AT LIBERTY CHRISTIAN ACADEMY

Tired of evenings filled with homework battles, rushed dinners, and exhausted kids (and parents)?

You're not alone. We know that between work, school, and everything in between, families are overwhelmed. That's why we created **Success After School**, an aftercare program designed to give you back what matters most: your time together.

Why Parents Choose Success After School?

- ✓ **Homework & Study Support:** Certified educators help students finish homework, study for tests, and tackle challenging assignments.
- ✓ **Character & Leadership Development:** Daily activities that build confidence, respect, responsibility, and leadership skills that last a lifetime.
- ✓ **Play, Social Time, and Outdoor Fun:** Kids need to unwind too! We balance academics with free time, outdoor games, and relationship-building fun.
- ✓ **Snack Included:** Fuel for focus and energy during the second half of the day.

Our Vision: We envision a community where afterschool time becomes a meaningful extension of the school day, supporting academic growth, fostering strong character and leadership, and creating a nurturing space for kids to connect, recharge, and thrive.
